

Dromiskin Community Text Alert scheme

Membership application form

I wish to become a member of the Dromiskin Community Text Alert scheme. I reside within, or close to, the boundaries of Dromiskin, am over 18 years or age and agree to provide my mobile / cell phone number to receive SMS messages from the Text Alert scheme.

When I receive the initial text SMS message from the Dromiskin Text Alert phone, I will enter it in the phone's Contacts list as something like "Dromiskin TA".

This form needs to be put into the Parish Lotto boxes in either Mulligans or Centra. An initial SMS to confirm from the scheme may take about a week. The scheme provides stickers for a house window to designate membership
